Re The continuation of temporary establishment up to the end of June 1948, sanctioned for the resumption of sites

In forwarding herewith a copy of the Trust Board Resolution No 265 dated the 22nd December 1947 re the above, I have the honour to state as follows:-

In Government Order Nos L 135-46-7/Ml 12-46-43 dated the 7th April 1947 and L 1114-16/Ml 12-46-55 dated the 18th July 1947 the appointment of a Suboverseer and a clerk for a period of nine months was sanctioned with effect from the 15th March 1947 It is submitted that much progress could not be achieved as the Suboverseer appointed for this purpose worked for only 5 months and then resigned No substitute was posted in his place The clerk also who is absolutely a raw hand appointed and posted to this office has worked for a period of only three months

There is thus no continuity in the tenure of the appointments of either the Suboverseer or the clerk There is still some more work to be attended to It is requested that orders of Government may kindly be accorded for the appointment of a Suboverseer on R 50/- in grade R 50-5-100 and a clerk on R 40/- in grade 40-2-50-3-80 up to the end of June 1948 The clerk is being continued pending orders of Government Regarding the appointment of Suboverseer, the Chief Engineer has been addressed to post a hand immediately pending orders of Government
